

FINAL LIST OF APPLICANTS ADMITTED AND EXCLUDED FOR EVALUATION

Open call for two PhD positions at Universidad Pública de Navarra on "Advanced Technologies for future European Satellite Applications" (TESLA), funded by the European Commission as an MSCA-ITN action within the Horizon 2020 programme, approved by Decision 107/2019, adopted on the 23rd of January by the Rector of Universidad Pública de Navarra

Open call for two PhD positions at Universidad Pública de Navarra on "Advanced Technologies for future European Satellite Applications" (TESLA), funded by the European Commission as an MSCA-ITN action within the Horizon 2020 programme, approved by Decision 107/2019, adopted on the 23rd of January by the Rector of Universidad Pública de Navarra

On March 21, the provisional list of applicants admitted and excluded for evaluation was published, establishing a deadline for the interested parties to correct the deficiencies observed or complete the corresponding documentation, which ended on Thursday, March 28, 2019.

At the end of this period, the Call Evaluation Committee approves the **definitive list of applicants admitted and excluded for evaluation**, which appears in Annex I.

Pamplona, 29 March 2019

Professor D. Miguel A. Gómez-Laso.  
Researcher in charge for the TESLA project
